Let’s start this year off by offering heartfelt thanks to the outgoing officers and Board of Directors for keeping the Club all about helping our charities, enjoying our cars and spending time with our friends.

The outgoing 2012 Officers and Directors are:

President – Greg Brooks
V.P. at Large - Tonie Etter
V.P. of Membership – Chris Reed
V.P. of Activities – Rick Engle

The December club meeting was held during the club’s annual holiday party, located this year at the Doubletree Hotel’s Champagne Ballroom. Classic Glass members turned out in their holiday finery, and the evening began with a reception, followed by dinner at 7:00 p.m.

After dinner, President Greg Brooks recognized the current Board members and presented each with a gift. The Board, in turn, thanked Greg for his leadership and showed their appreciation by giving him a Classic Glass jacket.

Greg then announced the officers for 2013 (Congratulations to all!):

Greg asked the incoming President, James Swope, for a few words. James thanked everyone for their vote and congratulated his fellow Board members. He’s looking forward to the upcoming year and hopes to keep the club a place where we can have fun and enjoy our cars.

Greg noted that there is still a need for a Supervette Saturday event manager, and he also asked if anyone is interested in being either the Secretary or Treasurer to speak with James.

Greg then turned the floor over to Harriette Majoros. Harriette thanked all who participated in the Children’s Healthcare of Atlanta Holiday Parade. She discussed highlights of the parade, including the fact that Shirley Huffman led the parade with her ’57 Chevy. Harriette presented a parade t-shirt to Shirley and also to Rick Engle (the parade dude), and she gave Greg a “Lucky Dog” (since he was a “lucky dog” to have the Coca-Cola bear!). Harriette mentioned the upcoming Chick-Fil-A Bowl parade and asked members to sign up if they are able to participate.

Greg once again thanked everyone for coming and the meeting adjourned. The evening continued with lively dancing and camaraderie. It was a great party and was enjoyed by all.

Respectfully Submitted,

Mana Swope, Secretary
Classic Glass Corvette Club 2012
The Directors - Larry Yon, Steve Waddell, Frank Macaluso, Keelie Floyd
Treasurer – Shirley Huffman
Secretary – Mana Swope
Newsletter Editor – Calvin Cruce
Web Master – Chaz Cone
Club Store Manager – Jim Johannes
NCM Ambassador – Charley Koninsky

Likewise, thank you for selecting me to be the 2013 President of Classic Glass Corvette Club. I am looking forward to working with the new slate of officers and directors to maintain the club as the most charitable, Corvette-loving and enjoyable Corvette club in this part of the country. Please remember to thank the people you selected to lead the club this year. I am sure I speak for the group when I say we choose to run for office or accept appointments because we love our club and the people in it and not for praise or notoriety (but if you are not into saying thanks, just shower us with gifts :).

(The Treasurer and Secretary appointees will be announced after confirmation by the Board.)

I do not begin this year with a desire to change the world (or the Club), but I do ask that we all take advantage of what CGCC offers. Although this may seem simple, it does take some effort.

First, if you have not already done so, renew your membership. Membership does have its privileges, and your dues help to fund the many activities CGCC does each year. Online registration and dues payment by PayPal is now available. So renew your membership (it’s easy) and let the fun begin.

Next, promote the Club and help us raise needed funds by buying CGCC stuff from the Club store. Jim has a lot of new merchandise in the store for you to choose from. Make sure to stop by the store each meeting and see what’s new.

Finally, participate as much as you can. There will be no shortage of events to enjoy or ways to get involved. Keep an eye on the event calendar and join us as we promote and enjoy America’s only true sports car and raise money for many good causes. Taking part in CGCC events and activities is key to getting the most out of your membership in the Club and adds to the pleasure of Corvette ownership. While participating in Club events, don’t be afraid to volunteer your assistance to event organizers or even lead an event yourself. Trust me, your help is needed and welcomed, and do not be surprised if active participation in putting on activities for Club members is the most rewarding aspect of membership.

Speaking of helping out, here’s your chance: SUPER-VETTE is right around the corner (it is tentatively scheduled for May 4th). One of our biggest needs is a coordinator for SuperVette. Many members have volunteered to help and have already begun preparations, but we need someone to pull it all together. This is our largest fundraising event each year, and the success of the event is proportional to the support received from the membership.

Now let’s start our engines and go roaring into 2013.

James Swope
CGCC President, 2012
We do know how to mix business and pleasure

Our annual Holiday Party/Dec business meeting was filled with great food and drink, election of 2013 officers and plenty of dancing and frivolity.

There were several outstanding dance couples who showed the way.

Having fun with many friends is a great way to end a most successful year.

Outgoing President Greg Brooks (L) accepts his Thank You gift from Past President Larry Yon (R) as Frank Macaluso and Keelie Floyd show their approval.

LEFT: Tonie Etter (L) and Alan Cowart fill their plates as they go through the buffet line.

Steve Turner and Lea Dunn show one of their better moves on the dance floor.

Valda Briant tries to figure out what kind of dance move Frank Macaluso is doing on the floor. No telling.

(LtoR) Ken Tenedini, Wayne Mobley, Herb Guck, Barry Tomlinson and Ed Gollob find time for some enjoyable conversation.

LEFT: Don’t look behind you, Harriette but Greg is having some fun.

We go parading for a great cause

The Children’s Healthcare of Atlanta Christmas Parade was a rousing success. Our own Shirley Huffman lead off the parade in her ’57 Chevy convertible. In terms of spectators, this was the largest one yet which made it even more fun for everyone. Thanks to all who participated.

Is this the new C7?

Several car magazine have published these artist renderings, above and far right, as their idea of what the new and highly anticipated 2014 7th Generation Corvette might look like. GM has announced the car will be unveiled 1-13-13, the day before the Detroit Auto Show.

A dedicated GM web site at www.one13thirteen.com is where it will release details and video trailers about the car.

It also has a Facebook page, www.facebook.com/corvette. There is also a stream on Twitter, @Chevrolet, with the hashtag #corvette. Chevy says people who follow the hashtag #one13thirteen will see exclusive updates.

The images above purport to show a convertible version of the C7 being tested.

Above is a frame grab from a GM video that shows part of the all new C7 digital dash.

Some lucky child will get this great big bear as a gift for Christmas.

There was a great diversity of cars in attendance.

KewlRides had their annual Toys for Tots car show and toy drive with the Marines recently. Classic Glass has always supported this event and this year was no exception. Thanks to everyone who made it out. We will be back next year.

Calvin Cruce (CTR) won 2nd place in the C5-C6 category with his Grand Sport.

Steve Rice won 3rd place in the C5-C6 category.
and half early so I could set up the slides and sound and the place was already buzzing. Who shows up for a meeting an hour and half early? I will tell you who, people that enjoy being around other Corvette people!

I want to thank all those who supported me and hope you will do the same for James next year. We have a lot of experience returning to the board this year along with some new faces. I would encourage everyone to volunteer to either lead or co-lead an event in 2013. It can be a very rewarding and fun experience.

Rita and I have two things we get to look forward to during this next year. One, we get to sit together again during the meetings. And two, I get to drink beer again during the meetings. I really missed my beers during the meetings. And now to somewhat paraphrase General Douglas MacArthur….Old car club presidents never die, they just fade into the anonymity of the board. Thank you all,

**Gman**

**Labor Day weekend 2014 celebrates the 20th Anniversary of the Grand Opening of the NCM.** In keeping with tradition, the kick-off to the celebration starts with thousands of Corvette enthusiasts making their way to Bowling Green, Kentucky in ever-growing caravans converging for 3+ days of exciting Corvette lifestyle.

Planning for the [National Corvette Caravan](#) has been underway for several years. In one significant change from the past there will be only a single registration for both the 20th Anniversary Celebration and the National Corvette Caravan Base registration is for the on-site event. There are options to add your Caravan selection, the Hall of Fame Induction Banquet, event shirt and, for Lifetime members, the Lifetime/VIP dinner.

As activities are finalized and an agenda created updates will be posted and announcements will appear in [eNews](#) and on [Caravan Chat](#).
