

3rd Annual Heart to Heart
Bottoms Down

Please bring to the next meeting in February
Just one package of socks or underwear
For foster kids
You choose the size
You choose boy or girl

As you may know, we have done Heart to Heart for the past two years. One year was bears for the Cobb County Police to hand out to kids in serious situations such as being taken by DEFAC, in car accidents, fires or other emergency situations. Last year was Totes 4 Tots that is run on MKL day for kids in foster care to have luggage or totes to put their clothes in if they have to move from home to home. You were overwhelming in your response both times. This year is pants and socks. These are items that are never given to the children used – only new. Only bring one package per person and we will have a whole lot of stuff for the kids.

Thanks so much for opening up your heart.
