Corvettes Serving America Foundation in concert with **Atlanta Motor**

Speedway presents the 8th Annual Corvettes Against Breast Cancer (CABC-IX) at Atlanta Motor Speedway.

Donations will support local Breast Cancer Support Organizations and this year Speedway Children's Charities!

Atlanta Motor Speedway's Children's Charity – A portion of CABC-IX proceeds will be provided to

Atlanta Motor Speedway's Children's Charity in support of the charity mission. The mission of Speedway Children's Charities remains true to the ideals it was founded upon in 1982: "To care for children in educational, financial, social and medical need in order to help them lead productive lives." Speedway Children's Charity (SCC) is a non-profit 501(c)(3) organization that provided funding for hundreds of non-profit organizations throughout the nation that meet the direct needs of children. **more -->**

TRACK SAFETY RULES

SAFETY IS EVERYONE'S RESPONSIBILITY!!!!

Let's help make CABC-IX a safe event! SAFETY IS EVERYONE'S RESPONSIBILITY.

Please help us by correcting or reporting unsafe acts or issues immediately. Thanks to your cooperation, all CABC events have been SAFE! Help us by thoroughly reading and following the 25 TRACK SAFETY RULES as listed. Thanks in advance for your cooperation.

RULE#1 – Absolutely no racing on the track!!!!

RULE#2 – NEVER, NEVER, NEVER pass the Atlanta Motor Speedway Pace Car.

RULE#3 – All laps are paced at an average of 80MPH.

RULE#4 – Always follow the AMS Pace Car.

RULE#5 – ONLY LICENSED DRIVERS are allowed to drive on the track!

RULE#6 – Individuals with learners permits or unlicensed to drive (regardless of age) are not allowed to drive on the track or operate a vehicle of any type in the garage or pit staging areas!!!!

RULE#7 – Licensed drivers under the age of 21 years (but not less than 17 years of age) must be accompanied by a legal guardian while on the track and in staging areas.

RULE#8 – INDIVIDUALS UNDER THE AGE OF 17 ARE NOT ALLOWED TO DRIVE OR OPERATE A VEHICLE ON OR OFF THE TRACK OR IN ANY STAGING AREA.

RULE#9 – All drivers and passengers are to use seat belts while driving on or off the track.

RULE#10 – Passengers requiring child car seats/booster car seats are not allowed as passengers on the track.

RULE#11 – While on the track the minimum speed is 70 mph.

RULE#12 – Never drive beyond your capabilities. Slowing down (not less than 60 mph) or exiting the track early is ok especially if maintaining the minimum speed is outside of your comfort level. We can re-sequence the remainder of your track laps to occur with a slower group of participants. This is not a problem and we are happy to accommodate you. Remember we are "safety first"!

CONTINUED – TRACK SAFETY RULES 13 THROUGH 25...

RULE#13 – NEVER, NEVER, NEVER PASS THE PACE CAR.

RULE#14 – Try not to pass other participants (but never the pace car) unless necessary... and never, never for racing purposes. If passing is necessary and where practicable pass on the right of the approaching car. Always telegraph your intention to pass.

RULE#15 – Be mindful of your position in relationship to other cars especially while on the track. While on the track check your position in relationship to other participants always. Check your side and rear view mirrors from time to time.

RULE#16 – Garage and staging areas are potential hazard areas. We are expecting over 350 people and 250 plus cars this year. Activity will center in and around the garage area so alertness of the surroundings is paramount.

RULE#17 – Remember... Headlights and or marker lamps are on at all times. We are driving at dusk in to the night and under the lights!

RULE#18 – Always, always exit the track with the pace car follow established routes back to the garage area.

RULE#19 – Follow the instructions of the event staff.

RULE#20 – Exhibit safe behavior at all times.

RULE#21 – Cars deemed unsafe due to mechanical issues are not allowed on the track (bad tires, leaking fluids, general appearance of the vehicle indicates poor condition).

RULE#22 – Safety is everyone's responsibility and inherently are accountable to identify, correct or report unsafe acts or issues immediately.

RULE#23 – Standing in the apron area is prohibited. Never walk beyond the pit area towards the track (grassy apron area immediately adjacent to the track).

RULE#24 – Participants who experience a breakdown while on the track should remain in the vehicle with hazard lights on. Wrecker service is available to assist you.

RULE#25 – Remember to sign your waiver forms before entering the track.

*******END OF RULES*******

Track rules are designed to benefit all participants. Rule violations, exhibiting unsafe behavior or failure to follow the instructions of event staff may result in removal from the event without refund of any funds or fees.

Remember “doing the right thing is not always the cool thing but is most likely the safe thing”... most of us are not professional drivers.

Thanks for cooperation and for being safe!
