

NCM WORK WEEKEND

JUNE 21ST & 2ND

For those that have never participated in this activity, I'll try to give you some insight as to what it is and what we do.

The **NCM Work Weekend** is almost exactly what it sounds like. We leave at 8AM (that's 7AM in Bowling Green) and arrive about noon. We grab a quick lunch at the *Corvette Café* and then proceed to our various assignments. That can include almost anything from helping assemble mailing packets, assisting with filing and sorting materials in the archives, sorting and pricing items for the Corvette Store or helping paint or stain an area in the museum. Whatever the case we pitch in to do whatever needs doing and have a great time doing so.

The evening concludes with dinner at a local Bowling Green restaurant. I have blocked rooms at the Holiday Inn Express (Three Springs Rd.) for Saturday night, June 21st. Our preferred rate is \$74 + tax and you need to call the hotel at 270-843-3200 to make your reservation.

Use the code: "CGC" or click this link → [CGCC](#) for this special rate. Map: Click → [HERE](#) for a map to the hotel.

Sunday morning, after breakfast, we proceed back to the museum and finalize any projects we have going for a departure at about 1PM (CST). On our way back to Atlanta we usually select a stop on the way for lunch and then continue our return, usually getting back around 5PM.

The entire event is really more fun and rewarding than it sounds, and the museum personnel really do appreciate our contribution to the work projects we perform. This has been a CGCC tradition for years.

If anyone has any other questions, please feel free to see me or give me a call at 770-993-4354. Thanks for your consideration and I hope you can participate.
