

Leaf Look & Fall Color Ride

Join **Classic Glass Corvette Club** for a full day of cars, beautiful fall leaf color, good food and great friendship in the mountains of north Georgia, North Carolina and South Carolina.

Saturday, November 2nd

Meet in the Best Buy parking lot east of GA400 on Haynes Bridge Rd ([see map](#)).

Depart 8:30 AM sharp after a brief drivers' meeting. Please arrive before 8:15 AM with a full tank of gas and an empty bladder. There will be a 10 AM scheduled stop for refreshments and gas. Remember to bring your radios for car to car communicating.

Because we expect to have about 30 to 40 cars to participate, we are going to split into groups. We will attempt to pair those that wish to experience a spirited ride and those that prefer a slower pace into differ caravans. The relaxed segment will follow a straighter route so that we all should converge at the restaurant at approximately the same time.

Our ride this year will take us on some great north Georgia and North Carolina mountain roads complete with winding curves and great fall scenery including a newly paved section of War Woman Rd east of Clayton, GA as we make our way to Cashiers, NC. We will have lunch at the [Slab Town Pizza](#) Restaurant followed by some time to explore the area on your own (The many shops of Highlands are only 10 miles to the west).

Whitewater Falls ([tallest waterfall](#) east of the Mississippi). The falls parking lot requires a \$2 fee and offers toilet facilities. We should be back in the Atlanta Area around 4:30 to 5 PM.
