Mr. Cearns,

I wanted to reach out to you regarding an upcoming event that we're having at Aspen Village Senior Living in Dallas. We're a Personal Care Home/Assisted Living here locally right next the Walmart on Hwy 120.

I wanted to gauge your interest in the possibility of bringing over a handful of your classic Corvettes to our community for our 1st Annual Classic Car Show? Many of our residents share the same passion for cars that you and your fellow club members have and this is a great opportunity for them, as well as, the Dallas/Marietta community at large.

We've already reached out to Dixie Classic Chevy and North Georgia Mopar who both look like they're going to join us, as well as some family members of our community who plan to bring by some of their classic rides.

The event's being held at our community at 135 Hillside Trace in Dallas on Saturday, May 30th from 10-2pm. We would love for you to have a chance to brighten the day of our residents, local children and car enthusiasts alike. Even if you can only get a couple of members to participate it would be a fantastic opportunity to give back to the community.

Please let me know if you have any interest. Look forward to speaking with you.

Thanks,  
Jon Knestrick
