

Trip to the Ark Encounter

The [Ark Encounter](#) is situated in Williamstown, KY approximately 410 from Roswell/East Cobb, GA.

It is a massive ship (510 feet long; converting to cubits is left as an exercise for the reader) and three stories high depicting the biblical tale of Noah's Ark with interactive exhibits and a zoo.

We're planning a visit there "on the way" to the NCM Bash in late April. Here's how it will work:

- 1) We'll leave in caravan on Tuesday April 24, 2018.
- 2) We'll stop for lunch in Knoxville TN and then continue to the Williamston KY.
- 3) We'll spend the night in Williamston KY
- 4) On Wednesday we'll visit the Ark Encounter. The Ark is open from 9am-9:15pm so there will be plenty of time to see the attraction.

PJ will make reservations at either the Sunrise Inn or the Microtel Hotel (either costs about \$60) when she sees how many people are interested. If anyone has any dietary restrictions please [email PJ](#) so she can choose an appropriate dinner venue.

4) We will head to the NCM on Wednesday 4/25 around 3 PM so you can make your reservation in Bowling Green for the BASH. There is no limit to number of cars for this adventure.

You can sign up [HERE](#); please do so as soon as possible so we can plan this adventure.
