

The 5th annual Summit Racing Motorama is April 28th and 29th will be held at Atlanta Motor Speedway in Hampton, GA. Classic Glass has participated in this event for the past three years. We have always had a very good experience! This is the first time this event has been held on a weekend that does not conflict with the Charleston Coastal Corvette Show also in April.

Motorama is a lot more than a car show, it is a massive celebration of anything with an engine and has grown into one of the largest festivals of its kind in the South. From hot rods to rat rods to motorcycles, to monster trucks, there is something for everybody - and then some - at the annual two-day event. Most major aftermarket specialty equipment manufacturers are represented including Edelbrock and many others.

Registration for this event is \$35 **BEFORE MARCH 26TH**, which includes a pass for both days, reserved Speedway infield parking for Classic Glass Corvette Club. One trophy for five to nine registered Club cars and two trophies for ten to 19 registered Club cars. Trophies will be award to Club members on Sunday. Register here:
