

## Do you have what it takes?

Classic Glass Poker Run to Benefit the Piedmont Sixty Plus Program 21 July 2018.

Organizer – Don Hamrick 404.786.9947

Starting Location: Behind McDonalds 1429 Riverstone Pky, Canton, GA 30114

Ending Location: Buffalo's Café 117 E Felton Rd, Cartersville, GA 30120

I know I promised we would end at Knucklehead's in Rockmart but that was before they closed. So, we are going to end at the Buffalo's Café in Cartersville.

We will open Registration at 08:30 that morning with a planned brief and departure at 8:45. We those on the run to start arriving at Buffalo's about 12:45 for Lunch.

We will have two trophies. One trophy will be given for the best poker hand based on cards drawn at the start, each checkpoint and at the end. There will be a trophy given for the team with the best score answering the trivia questions.

Any and all donations will go toward the Piedmont sixty Plus program. We will have someone from the Piedmont sixty Plus Outreach program at the May meeting to give us more information about that program.

The run this year should prove to be a fun event. There are some fun roads, one in particular that I did not put any trivia questions on so that you can both watch the road. A couple more are almost as much fun.

Come out and join us. It should prove to be a very fun day.
