#### **Club visit on Veterans Therapy Day**

Classic Glass became a donor to the Farm this past year and has planned a visit to the Farm for a special club event day that focuses on therapy services to Veterans. We also getting to see first-hand the facility and meet some of the staff. You will be moved by the special care that is provided to the disabled.

- Between therapy sessions Veterans will visit the car corral to see all our Corvettes.
- Veterans will be observed in two therapy sessions.
- A light lunch from Chick-fil-A will be held at the facility, attended by McKenna staff, volunteers and Veterans with our club members.

#### **About McKenna Farms**

McKenna provides therapy services to intellectually and physically challenged individuals for the Northwest Metro area. A wide range of services are provided including hippo therapy utilizing horses. There are additional services provided for physical and occupational therapy to children from elementary school age to high school. Services are also provided to disabled veterans.
