October 27, 2018

*Radios on Channel 7
as usual.*

Revised 10/21/18

We will gather in the Best Buy Parking Lot on Haynes Bridge Rd. east of GA 400, Alpharetta, GA at 8:30 AM, conduct a short driver's meeting at 8:45 and depart promptly at 9:00 AM.

Our **one-day** cruise will start by taking GA 400 north through Clarksville, GA, where we have a scheduled 20-minute rest stop at a Kangaroo Express or nearby Exxon station, before continuing to lunch at [Willy's Bar-B-Que](#), Franklin, NC.

After lunch we will tour the scenic Wayah Road. The fall color and scenery should be fantastic! We will continue back generally south on some great NC and GA roads, including the [Russell Scenic Highway](#), a stop at [Alexander's Store](#) and eventually driving south on GA-400 and back to our homes. We are scheduled to be back in the Atlanta Area at approximately 5:00 PM.

Important: Because of the large number of cars expected to participate, it is recommended that each driver print the Google map including the directions and have it with them during the cruise. Most of the route north after leaving GA 400 to the restaurant is two-lane roads including several small towns & some of us are likely to get separated. Having the map and directions will allow us to re-assemble at the restaurant. The tour after lunch is on some great mountain highways allowing for some terrific fun in the twisties and will offer many great views of the surroundings including the fall leaf color.
