

# !!!!!!THUNDER & LIGHTNING MYSTERY CRUISE!!!!!!

Date: October 6, 2018

Start Time: 8:15 (drivers meeting at 8:00)

Meet at: Quick Trip at Hwy 92 & Mabry Rd (4635 Woodstock Rd, Roswell)

Cost: \$5 donation

Please park on the south end and the Mabry side to leave the spots in front of the building free. This is one that has a quick restaurant plus bathrooms and a few tables to eat at. Gas up if need be. Grab a quick breakfast.

We will play "Follow the Leader" although you will have envelopes in case you get lost as we always do. Bring your radio, channel 7 as usual. Cameras a must.

There will be few roads to deal with at first but there are some lane shifts to contend with. So you will have to be sharp at listening... This is NOT a gumball rally, so please stay in line. We will all get there at almost the same time.

Our first delightful stop will take you to **THUNDER** where you can drool for a few hours (bring your bib). If you care to make a donation, here you can.

We leave here and go to eat.

Second big stop will be the **Lightning** portion of the cruise. To get there we will wander on some nice roads. This is the one with the \$5 donation. I will collect - the donation at the beginning of the cruise just to save time later. You will get some goodies for your money. This stop will take about one hour or so. There is a really neat couple who will inform you how lightnin' is formed and delivered by the gods. Being able to jump may or may not help you.

All in all, a fun day is planned. And as always, all hints are true. Sign up on [the web page](#). This is a rain or shine event!
